

Welcome to First Grade!

June 22, 2016

Our first day of school will be on Tuesday, September 6th. Here is a list of supplies that you'll need to bring on the first day of school:

Backpack

School supply box (Large enough to fit all supplies, yet small enough to fit in a desk.)

Crayons (A box of 16 or 24 works best.)

Colored pencils (classic colors)

Primary color dry erase markers

Pencils (Ticonderoga pencils sharpen and erase the best. ☺)

Glue sticks

Scissors (Kids' Fiskars cut well.)

1 Folder

1 Composition Notebook

1 one-inch binder

1 clipboard

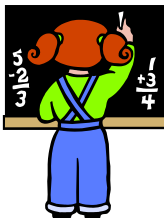

Headphones (over the head type, not ear buds for hearing safety reasons)

Please have your parents label your school supplies with your name.

The brand names above are not endorsed by the first grade team, nor are we given a portion of the profits in their sales ☺. You do not have to get these brands, we are only giving the above as suggestions. We have found that these are the brands that work the best and can give you the best bang for your buck! For example: Buying decorative pencils are fun and kids enjoy them...however, the plastic wrapper ruins the sharpeners and these pencils often require sharpening about half of the pencil in one attempt. Therefore, you will be buying more pencils more frequently. YUCK!! If your kiddos wants these pencils, they would be great to use for homework when they won't have to do the amount of writing they have to do in school.

We look forward to seeing your smiling face on September 6th! Have a fabulous summer! ☺
