## 4th Quarter High Honor Roll

## From the desk of Mr. Tad Rounds, High School Principal

University of Tampa, Binghamton University, New York University, Rochester Institute of Technology, United States Army, United States Navy, and the list goes on! These are just a few of the places that members of the Class of 2013 are attending and enlisting. Psychology, illustration, marketing, engineering science, computer science and biology are just a sampling of the majors and career pursuits of our students. Their success and pursuits are a reflection of the positive influence of their family, community and school. As overheard at the end of graduation, (regardless of political orientation) it really does take a village to raise a child and Hammondspport exemplifies this collective focus of providing the best opportunities for our students.

September will be here shortly. Student schedules will be mailed the first week in August. Schedule change days are August 26<sup>th</sup> and August 27<sup>th</sup> from 9:00-1:30 at the bus garage. Due to the current construction project the most expedient means is to email or call Mr. Derr directly at [jderr@hport.wnyric.org](mailto:jderr@hport.wnyric.org) or #569-5200 extension 5220. Parents and students are reminded that additional course work that is not offered on campus can be scheduled via on-line through Advanced Academics. These courses are above and beyond the required course load. Interested parents and students should contact the building principal or guidance counselor directly.

## NEWS FROM THE WORLD OF TRANSPORTATION

For the 2012-13 school year Hammondspport Central buses traveled a total of 193,265 miles. There was only 1 reportable accident during the year. School bus transportation continues to be the safest form of transportation in the U.S. Our Number one priority at the bus garage is, and always will be, the safety of our students and drivers. Bullying seems to still be the hot topic in transportation. We take bullying very seriously and report any and all incidents immediately to the building principals. Although the threat is always there for an incident, I truly believe we are very fortunate in Hammondspport as we have staff and parents that are very pro-active in teaching citizenship and proper behavior to our students. We have very few major behavior problems on the buses. Yes, we do have the usual problems of getting students to stay in their seats or remain seated during the bus ride, but as always we will do the best we can to teach the kids proper riding rules.

There will be no major route changes this year. We will have a new driver taking over for Sandy Heil as Sandy has decided to retire after many years of dedicated service to our school and kids. Chuck French, who is a long time substitute driver for our district, will be taking over Sandy's bus run. As always, if you have any Transportation concerns, do not hesitate to contact us at the bus garage.

HAVE A GREAT SUMMER.

Bill Fries Transportation Supervisor

# Campbell's Soup Label Collection Earns PE Equipment

25,450 labels—now THAT'S a lot of soup! Mrs. Pulver has been helping our district by collecting and organizing the Campbell's labels that our students and parents have sent in. Through a combined effort with Mrs. Fries, they were able to acquire a shipment of free equipment for the physical education departments. From this accumulation of labels, they were able to order: 2 Pro hockey goals, 2 Super Spring balls, 2 sets of pedometers, several scooter paddles, a set of fitness spots, 2 batting tees, a soft beam, 10 2-sided fitness discs, and an all-time favorite dance DVD. This is a great way for parents and students to earn free merchandise for the school. Mrs. Pulver said afterward that the Campbell's labels are actually on several different types of food and grocery items, and she wishes that we could get as many families involved as possible in helping with the program. Participation is easy! Simply save the labels from any cans of Campbell's soups, Chunky soups, and the Campbell's family of products and send them to school with your child. Your child, or their teacher, can get them to Mrs. Pulver to add to the collection for our next big order. Thank you to all families, students, and staff that contributed to this effort by bringing in your labels!
